

AIR COURIER INTERNATIONAL

September, 2016

Monthly Update

Hoorah! It's safe to say London has had a worthy Summer this year - plenty of sunshine (some might say heatwaves), and how fantastic were the Olympics?! A wonderful inspiration to all.

We have also had our own jublations throughout the Summer period. Lee and Amit Rattan have undertaken new roles in the Operations Department with Amit becoming Operations Senior! Charley Banks celebrated 5 years at Air Courier International in August, and we have also welcomed our new driver, Tony Sadler to the team.

Your thoughts and comments regarding our office team and front line drivers are always highly appreciated, so please do express to all when you can.
